

URBAN WORKSHOP 2024-2025 CALENDAR

The overarching goal of the Urban Workshop is **to equip women for effective service**. This workshop will prepare women to serve effectively, women & children, in an urban context.

The workshop consists of 9 units. Each unit will be taught in an interactive forum over a three hour period per each unit, with Unit 2 being 5 hours long. Instructors are experts in their fields. Some are voices at the national level for effective urban ministry and ministry to the poor.
